THE YEAR OF DRAGONS

Dragons have always been the most iconic monster in the realm of fantasy gaming and literature. That's why the game's named after them. It's also why we've got an entire year's worth of supplements, accessories, adventures, miniatures, and novels on the way.

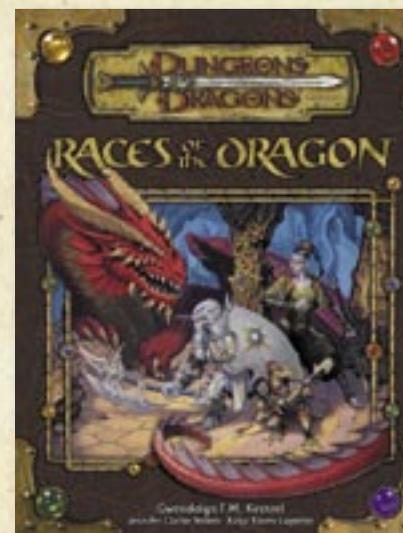

Whether you're a roleplayer, miniatures gamer, reader, or collector, you're about to encounter page after page of products that will make you want to amass a hoard of your own.

ROLEPLAYING

Add a distinctly draconic touch to your characters and campaigns with a wide variety of supplements, accessories, and adventures filled with an extraordinary amount of material for players and Dungeon Masters.
